

Società Tecniche Finanziarie

Company Profile

2024

Company Overview

Overview

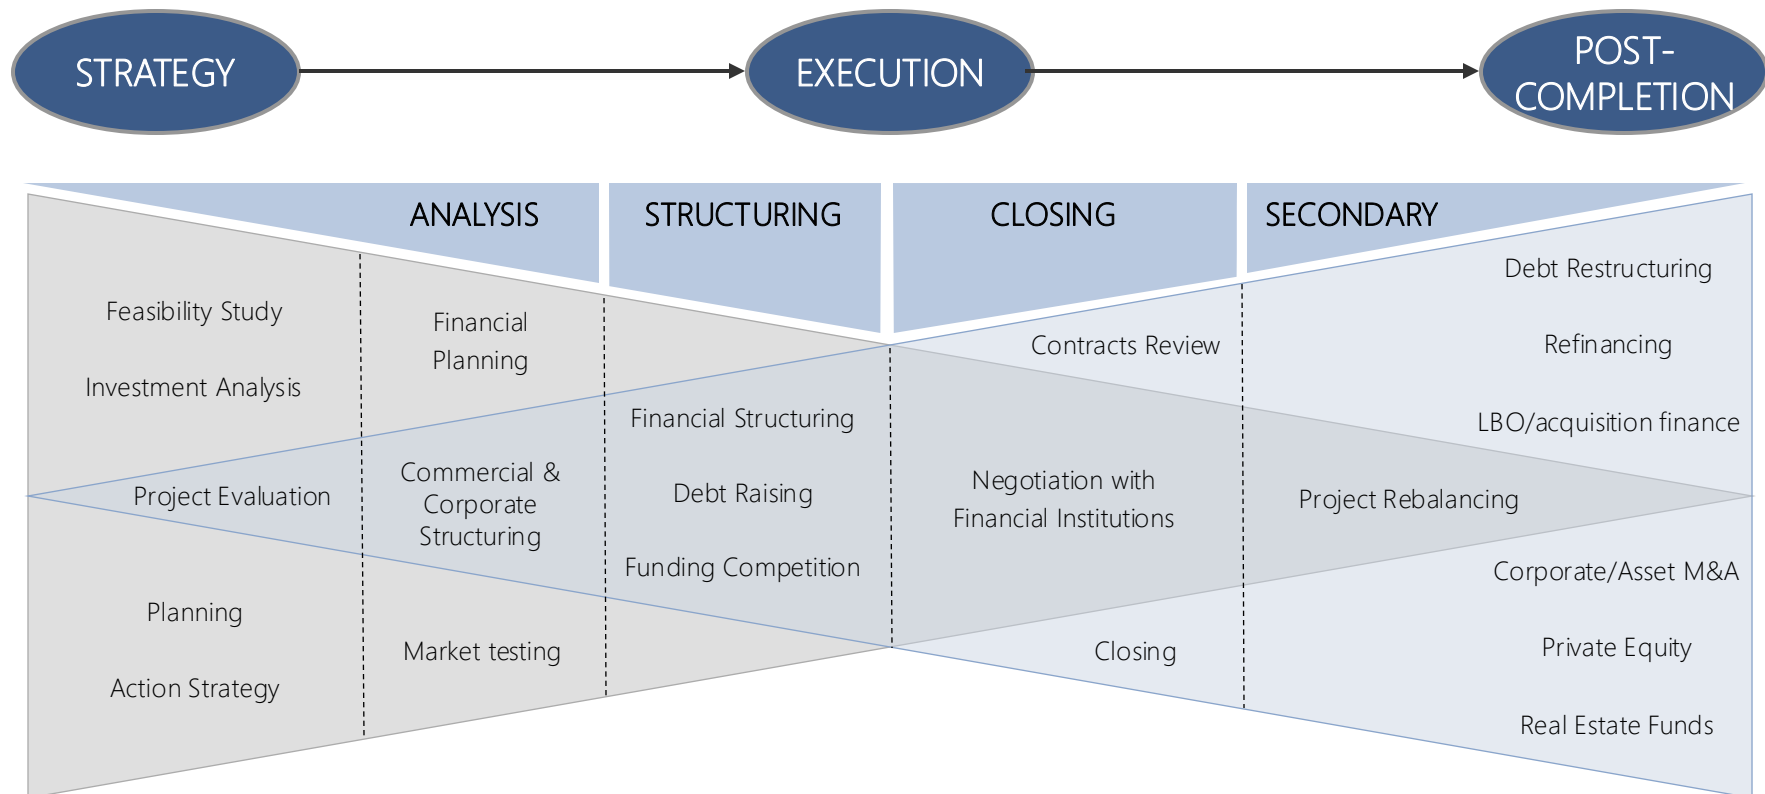

- **STF – Società Tecniche Finanziarie** was founded in 2007 as a *spin off* of the CCC (Consorzio Cooperative Costruzioni Soc. Coop) Finance department.
- With the **transfer of 100% of the shares to the company Management**, STF has established itself as an **independent financial services boutique** increasingly active and specialised in corporate finance and structured finance projects, advisory for SMEs, Cooperatives and Public Administrations, with significant financial and legal experience in the following activities:
 - **Structured Finance:** analysis of projects economic and financial sustainability; legal, commercial and financial assistance of PPP (Public Private Partnership), PFI (Project Finance Initiative), Leasing and Real Estate projects;
 - **Corporate Finance:** financial, legal and corporate assistance in corporate finance operations such as capital contributions, M&A, demergers, divestments and liquidations;
 - **Capital market Advisory:** advisory in financial restructuring and refinancing operations finalized to restore financial equilibrium and sustainability, by collecting new risk capital and/or debt capital, also via private equity and real estate funds.

Structured Finance	Corporate Finance	Capital Market Advisory
PPP	FINANCIAL PLANS	
PFI	VALUATIONS	
LEASING	DEMERGERS	RESTRUCTURING
LIC	M&A	REFINACING
REAL ESTATE	DIVESTMENTS	PRIVATE EQUITY
	CAPITAL CONTRIBUTIONS	REAL ESTATE FUNDS
	LIQUIDATIONS	

- STF assists its **clients** in the financial and commercial structuring of **complex operations** with a team of professionals, with national and international experience in primary advisory firms, legal firms and investment banks;

Over the years the firm gained **significant experience** in the following **activities**, both Corporate side and Public Administration side:

- **Public Private Partnership**, in its various forms such as Project Finance, Leasing, Services Concessions, and Public Private Joint Ventures. In this context, STF offers integrated services within (i) the phase of preparation of tender offers from Private Sponsors, to be submitted to open calls for proposals; (ii) the subsequent phase of financial closing of winning proposals; (iii) the financial management of initiatives in post-financial close; (iv) the preparation of legal and financial Due Diligence for eligible initiatives in the context of potential corporate finance operations (typically, sales of shareholdings).
- **M&A**, in the Corporate Finance context, where STF offers integrated services within (i) the preliminary analysis phase of businesses and branches subject to potential transactions (mergers or acquisitions); (ii) the preparation of legal and financial Due Diligence; (iii) the preparation of business plans or business evaluations; (iv) the search for potentially interested financial/business partners; (v) the preparation and production of the necessary documentation for closing the deal.
- **Real Estate**, in this context STF offers the following integrated services (i) preparation of preliminary feasibility studies in complex real estate sectors; (ii) assistance in defining corporate agreements between business and financial sponsors; (iii) assistance in financial closing, according to corporate finance or structured finance typicalities.
